"be kind..."

Waking up this morning the only feeling I have regarding yesterday's events is that of demonic evil. The shooter looked how I imagined them to be. A woke Homunculus hosting a demon. Created as an alchemical tech industry generative entity.

Today it just confirms what I have been feeling since 2018 that some demonic alien force has been out to feed on the human race, and their numbers have grown so large since the Scamdemic and they can openly attack directly on this mortal plane. There is a strong BDSM element to their nature. Feeding on endless CCTV footage/videos of shootings and transport accidental deaths. While simultaneously proclaiming to be virtuous and defenders/white knight persona.

I have decided that any Woke Cenobite waving a rainbow flag or who uses pronouns in their bios has forfeited their right to be called human and I will banish and boycott accordingly. Our very souls are in danger when around these entities and compromise is impossible.

Look around you. These Tech Homunculi are everywhere and the reason why so many of us do not like leaving our homes if we can help it.
